

When will my **ErlangenPass** expire?

Each pass has a validity of one calendar year. For the current calendar year the current date is noted.

From November on you can extend the **ErlangenPass** for the next year. Therefore the **ErlangenPass** office needs the **ErlangenPass** and a notification for the next year. For the new year a validity-sticker will be put on the pass.

Where can I get benefits?

- at municipal institutions and events
- at swimming pools in Erlangen
- at city busses of the City of Erlangen
- at different clubs (e. g. soccer clubs)
- at special events
- at several social institutions
- at many more partners e. g. pharmacies, in the retail sector etc.

You can find all our offers in the leaflet or on the internet on **www.erlangenpass.de**. On Erlangen's new event calendar you find events for reduced entrance fees. Please look for the **EP%** symbol on programs and flyers.

You also get more information to each offer at the town hall at the **ErlangenPass** office.

What else do I need to know about the **ErlangenPass**?

You get benefits at booths where you can find the **ErlangenPass** sticker.

Please find out about latest offers on time because benefits might be added or it might be possible that changes were made.

The **ErlangenPass** is a card which needs to be shown. The **ErlangenPass** has an additional purpose for children, teenagers and young adults: benefits for education and participation in leisure activities (e. g. excursions, school trips, lunch) can be paid with the **ErlangenPass**. The parents have to file an application for this purpose for their children.

You can get more information on that topic at central office for education and participation in leisure activities.

The ErlangenPass

You can experience a lot in Erlangen: in the theater, at concerts or at sports. We want that everybody in our city can participate in these offers. Therefore since 2016 we have the **ErlangenPass**.

When you show it, you pay less. Like this you can experience a beautiful day with your family at the pool or spend some exciting hours in the museum of the city. You can also go by bus for less money with the **ErlangenPass**.

The range of offers is becoming bigger and bigger. Do you have any questions? Then the employees of the ErlangenPass-office in the city hall will help you. You can also find more information on the internet on the homepage www.erlangenpass.de.
